Contract manager "Sharloпов Hotels"

To whom it may concern,

I would like to recommend Tempora Travel as a solid and trusted partner of Sharloпов Hotels chain. For the last five years our hotel group has worked close with Tempora Travel and I can definitely highlight the professionalism and reliability of this small, but very accurate and goal orientated team.

In my point of view, this company is not only an excellent example for its business relations with partners, but more importantly a roll model of how one should meet the requirements of its clients, arrange all their needs and treat them as exclusive guests.

Sincerely,

Zhivko Ivanov
